

NSSA 2026 Downs S C

Opening Parade

A few words from Emma who is organizing this.

All teams are invited to join the simple parade as part of the opening ceremony. We encourage all participating teams to bring any flags, bunting, T-shirts etc. displaying team emblems, colours and so forth. Also welcome to bring anything that makes a noise. The parade will be a short walk along the green from the southern end toward Downs Sailing Club building. Start and finish points will be clearly marked. Supporters and parents/guardians can stand at the finish and join the applause. Once arrived we will gather for a welcome cheer , competitor group photo and proceed into the marquee for the competitors briefing.
